Dear SCASCOE Board and Members:

Thank you for choosing me as the 2011 SCASCOE Scholarship winner which is an honor for me to accept . It will ease my parents burden when I start purchasing my school items.

I am planning on attending Florence Darlington Technical College to play baseball and major in Engineering.

Again, thank you for choosing me and making this award available. SCASCOE does a great service to the community by supporting the families of its members.

Sincerely,

A handwritten signature in cursive script that reads "Randon Sandifer".
